FROM THE GENERAL MANAGER:

Fall '89—the start of a new school year at UCI and a new year for KUCI. But it's not just any new year! This fall, KUCI celebrates its **TWENTIETH YEAR ANNIVERSARY**. That's right, UCI's student-run radio station began broadcasting in the fall of 1969 and hasn't stopped since. To commemorate twenty years of service and experience to UCI and Orange County, KUCI will feature a week of special programming, November 12-18. Stay tuned as past, present, and guest DJ's will be gracing the airwaves with old and new sounds. Also, be on the lookout for other special KUCI events coming your way.

We're very excited about KUCI's twentieth year anniversary and look forward to serving UCI and the community for years to come. As a public service radio station, KUCI strives to provide diverse, non-commercial programming that offers "something for everyone". This summer, we've worked hard to bring you the new and interesting public affairs shows and more diverse selection of musical programming that you see listed on the program schedule.

Of course, we always welcomes your support. Write to us at KUCI, P.O. Box 4362, Irvine, CA 92716-4362 or call (714) 856-6868. Your tax-deductible donations and/or feedback is always appreciated.

**Programming department**

Once again it's that time of year; fall. A time for changes and fresh starts. Much like the U.C.Irvine community, KUCI is growing and changing and working to support the needs of its community. Our newest features in programming include folk, blues and special jazz programming from 11:00am.-12:00pm., on weekdays. Music "specialty" shows at 6:00am.-8:30am., and 4:00pm.-5:00pm., include a wide variety of great blues, hip-hop, funk, as well as spoken word and poetry. Our public affairs shows include "Back to Basics", "Mind of Man", and a new show produced by the Women's Resource Center. Listen to these shows at 8:30am.-9:30am., and 5:00pm.-7:00pm., every weekday. Please consult your program guide for further descriptions of these fine programs.

Weekend programming at KUCI continues to be as diverse as ever. Everything from classical music to ethnic programming is included. Consult your program guide for more descriptions and don't miss your favorite show.

KUCI invites anyone from the community to come up and visit during the station's business hours. We are always interested in fulfilling the needs of the U.C.I. student and the community in which we all live, and appreciate any suggestions or complaints. After all, we are here to serve you!!! — Mark Baker

**Hip Hop From the Top**

My job as music director basically consists of handling and processing all the music that arrives here at the station. Believe me, it’s a lot of work. The fall is an especially hectic time of the year. Most record companies, both major and independent, save their big releases for the fall, new school season. Some big records have been coming in lately; Camper van Beethoven, The Bad Brains, Meat Puppets, Mekons and the Sugarcubes. An armload of great music. Amid this, we've been expanding our programming here and I have been trying to make sure that we get all the latest cool reggae, blues, ethnic, country and underground music that I can get my hands on. If you want to hear new music of any style or variety, listen to KUCI, because I bet we have it.

**Some current turn-ons**

Coldcut, Pooh Sticks 7”, My Dad is Dead, BAD, the Telescopes, Beat Happening, A.C. Marias, Exene Cervenka, the Creamers, the Fieldmice, Beastie Boys, Mekons and the Bad Brains.
